## **VICTORIA FALLS/ ZAMBEZI REGION 01/11/2020 – 31/10/2021**

Booking Code: SWAS 8 CAPRIVI

### **Water – Natures Vein of Life**

Lined with interesting plants and home to plenty of life forms and drawing different ethnic groups to it, these rivers that run the whole year represent an oasis of life. We enjoy the peace and quiet and the sounds of the African soundscape. Hearing the murmuring water, the calls of the hippos or the African fish eagle are all a true experience. To see people that live with little but hold a proud tradition and do enjoy a happy life and follow their daily activities.

### **Day 1: A warm welcome to Victoria Falls!**

Upon your arrival at the Victoria Falls Airport, you will be met by our experienced tour guide, who will take you to your lodge in Vic Falls. After check-in at the accommodation, we will drive to the falls for a tour on foot. Our guide will show you the main sites and teach you about the area's history. After the end of the tour, you can stay in town and explore the hub or go back to the lodge.

**Accommodation / Breakfast at A'Zambezi River Lodge or similar. Incl. Airport Transfer / Falls Tour**

### **Day 2: Victoria Falls – Region Kongola**

From the Victoria Falls we pass through a section of the Chobe National Park. At Ngoma Bridge we enter Namibia. People, herds of cattle, donkeys and chicken can often be seen along the road. Forests of broad-leaved trees line some stretches of the road. We come across small villages and the street vendors try their luck to sell their art or harvest alongside the road. In the afternoon we leave our comfortable accommodation to go on a sundowner boat cruise on the Kwando River. The colours of the setting sun are inexplicable.

**Dinner/ Accommodation/ Breakfast at Namushasha River Lodge or similar. Incl. Sundowner Boat Cruise**

### **Day 3: Bwabwata National Park**

The morning is at leisure. Time to take in all these new sounds and enjoy the endless tranquility. In the afternoon a boat transfer across the Kwando takes us into the Bwabwata National Park. Here, a 4x4 vehicle will be waiting for us. Keep your eyes open, perhaps we will see herds of buffalos, elephants, waterbucks and other game in the forests or in the open grass plains next to the river. Even lions and leopards can be seen here at times. The drive ends with a boat transfer back to the lodge.
